Sexual Assault Reporting Hotline

Get the help you need

Two types of sexual assault reporting are available

It's vital to know the differences

If you contact your command or law enforcement it is automatically an unrestricted report

Restricted

- Contact Area SARC, Healthcare Provider or Chaplain
- Command **not** notified
- SARC & Victim Advocate attends to victim needs – provides supportive services
- Can get medical care
- Can get counseling
- Reporting decision can be changed to unrestricted

Unrestricted

- Contact Area SARC, Law Enforcement, Healthcare Provider or Chain of Command
- Command **is** notified
- SARC & Victim Advocate attends to victim needs – provides supportive services
- Can get medical care
- Can get counseling
- Can get legal services

Available 24/7
